To Whom It May Concern:

Between **March 5** and **9, 2014**, a series of articles were printed in the Philippine Daily Inquirer. The articles alleged irregularities in the charitable foundation he founded called Mary Mother of the Poor. In addition, his healing ministry and lifestyle were also attacked.

I certify that the accusations in these articles are unfounded and not true. Fr. Fernando Suarez, Missionaries of Mary Mother of the Poor, is a priest in good standing in the Apostolic Vicariate of San Jose, Occidental Mindoro.

With Fraternal Affection, I remain

“DUC IN ALTUM”
